

VISITATION GUIDELINES

In accordance with California Dept. of Public Health (CDPH), the following visitor guidelines will be in place to ensure the safety of our patients and healthcare personnel:

- ❖ All visitors must be screened for fever and Covid-19 symptoms and must not be suspected or recently confirmed with Covid -19 (within previous 10 days)
- ❖ All patients (suspected / confirmed with Covid-19)
 - May have **one** visitor a day.
 - All visitors for suspected / confirmed Covid-19 patients **must wear an N95 mask** during the visit which will be provided by Security.
- ❖ All patients (not suspected / confirmed with Covid-19):
 - May have up to **two** visitors at a time
 - Visitors may switch as needed
- ❖ All visitors must wear a facemask upon entry and other PPE (personal protective equipment) as appropriate while in the patient's room.
- ❖ All visitors must physically distance from healthcare personnel and other patients / visitors that are not part of their group at all times while in the facility.
- ❖ Visitors should not walk around in hallways and must go directly to and from the patient's room.
