

FOR IMMEDIATE RELEASE
MARY ANNE MONJE NAMED CEO OF
WHITTIER HOSPITAL MEDICAL CENTER

Whittier, Calif. -- Mary Anne Monje has been named Chief Executive Officer (CEO) of Whittier Hospital Medical Center.

Mary Anne Monje most recently served as the CFO/COO for Whittier Hospital and has more than 20 years of healthcare executive experience in leadership roles. Ms. Monje is succeeding Richard Castro who served as hospital chief executive officer and has accepted a CEO position for a healthcare entity in the Northern California area. Under Mr. Castro's leadership, Whittier Hospital exceeded its financial expectations, along with its quality and safety standards ensuring the highest level of quality of care to the communities it serves.

Mary Anne Monje's extensive experience makes her the ideal executive to lead Whittier Hospital in the current ever-changing and challenging healthcare environment. Her proven track record and extensive experience in finance and operational management will add to the strong foundation already in place at Whittier Hospital. "I see a bright future for Whittier Hospital", said Mary Anne Monje, who began her healthcare career in finance and moved through various hospital administrative and leadership positions. "Our long-time employees and medical staff are committed to bring superior medical care to the community. We will continue to work together to ensure our rich tradition of high quality patient care."

About Whittier Hospital Medical Center

Whittier Hospital Medical Center, owned and operated by AHMC Healthcare Inc., is accredited by The Joint Commission. Whittier Hospital medical staff consists of approximately 500 physicians representing over 40 specialties. It has been providing health care to residents of the southeast San Gabriel Valley for more than 60 years. A culturally sensitive hospital, the 178-bed facility provides a range of services.
